

The 'Gee 'n Tee News

APRIL NEWSLETTER.

ISSUE No: 22

For ALL GINS MEMBERS

No **CAPTAIN'S LETTER** this month as he's away on Holiday.

Editors Notes: Welcome to this months Newsletter. Firstly, my apologies for the Technical difficulties with the MSN Hotmail email system last month. Quite a few received 'gobble-de-gook' in their messages due to a glitch of some kind. I have received acknowledgement from MSN Tech Services, but no 'fix' as yet, so please bear with me. Any problems with this months issue, go to www.ginsgolf.com and download a copy.

With the next issue I hope to bring you a bigger edition of the Newsletter with more info; especially golf-related items. If you have any ideas or anything you'd like to see added to the Newsletter, please let me know.

On the Website, I'm hoping to add a weekly handicap update sheet for you to check your latest handicap. Further developments will happen when it's appropriate, so I'll keep you posted.

Last Month's 'Who Said' was John Updike...well done to Russell Dick for the first correct answer.

Finally, Geoff Cameron asked me to mention that for the Summer Period only, there will be no 'Bargain Basement' feature in the Saturday Supplement program on RSA Radio 99.1 FM.

Golfing Factoid

Among Gene Sarazen's achievements and contributions to golf was his invention of the sand wedge.

ANYONE FOR PAELLA?

David and Glen Laskey - members of GINS, very kindly held a Paella Party on Sunday 13th April in aid of the Cystic Fibrosis Trust. They said we could invite 40 people and this was GINS at their best. David and Glen did all the catering and cooking and as you can see from the photos - a superb Paella was produced along with a load of other delicious dishes. I ran a tombola and several people donated some wonderful prizes. We managed to raise a magnificent €1080 during the day and this, together with all the other monies raised during the winter, will be sent to the CF Trust in the UK. I don't have the exact figures yet but at a rough guess I will have over €3000 to send which is a good deal up on last year and will be converted into pounds sterling to be sent on. Please can you thank everyone on our behalf in the GINS for ALL their help, generosity and kindness and a special thank you to David and Glen Laskey.

Bridget Lloyd Edwards.

QUOTE OF THE MONTH

It does not matter if you look like a beast before or after the hit, as long as you look like a beauty at the moment of impact..... Seve Ballesteros

We are looking for 12 male players for the Mijas games in August. A list will be put up at Baviera & the 19th Hole for those interested. For further information contact either Mike Elsey or John Rose.

JOKE OF THE MONTH

A man and his wife are playing the fifth hole at their club when he slices his drive so far to the right it rolls into an equipment barn. He finds the ball and plans to take a drop when she says, "Let me go down to the other end of the barn and hold the door open. Then you can hit your ball through the door and back to the fairway." He thinks this is a great idea, so she holds the door. He takes a big swing, but rather than flying through the door, the ball hits her in the head and kills her. A year later, the same man and his new bride are playing the same hole when he again slices the ball into the shed. He finds it and plans to take an unplayable lie when she says, "Let me go down to the other end of the barn and hold the door open. Then you can hit your ball through the door and back to the fairway."

He looks at her, shakes his head, and explains, "No way am I doing that. The last time I tried that, I took a triple bogey on this hole."

LINE OF SIGHT

Can I move my ball Doug? That distance marker is bothering me.

Sorry Russell. As the marker does not interfere with your swing or stance you get no relief. Relief is only possible for interference of a physical nature, not mental.
