THIS MONTHS POEM

FEMALE POEM:

I want a man who's handsome, smart & strong
One who loves to listen long
One who thinks before he speaks,
One who'll call, not wait for weeks,
I want him to be gainfully employed,
When I spend his cash, be not annoyed,
Pulls out my chair and opens the door,
Massages my back and begs to do more,
OH! For a man who makes love to my mind,
And knows what to answer to
"How big is my behind?"

I want this man to love me no end,
And always be my very best friend.

MALE POEM:

I want a deaf-mute nymphomaniac,
With huge boobs who owns a liquor store
and a fishing boat.

I know it doesn't rhyme
And I don't give a sh*t.

Ye Olde Golf Clubs

"SPOON" Definition: The spoon was a wooden-shafted club in (primarily) pre-20th Century golf history, that is most equivalent to today's 3-wood. A modern 3-wood is not a spoon. Spoons were called that because their clubfaces were concave.

"MASHIE" Definition: The mashie was the historical golf club (wooden shafted, mostly pre-20th century) that most closely resembles today's 5-iron.

A modern 5-iron and the mashie are very different clubs; it would be incorrect to call a modern 5-iron a mashie. But in loft and use they are very similar.

10 YEARS AGO!

Nick Faldo overcomes a 6-shot deficit & beats Greg Norman by 5 shots to win "The Masters" Norman's final-round collapse is the largest in Masters history!
The Strata, made by Spalding, is the first multi-layer non-wound golf ball.

Has anybody lost a child or grandchild??

This little mite was found wandering across the course at Los Moriscos He is very talkative and keeps repeating that he's "lost his rattle!" Any information will be valuable and can be left in the box at the 19th hole. If nobody claims him, is there someone out there who would consider giving this unfortunate child a "Loving Home"???? Please help!

A man dining in a fancy restaurant & there is a gorgeous redhead sitting at the next table. He has been checking her out since he sat down but lacks the nerve to talk to her. Suddenly she sneezes & her glass eye comes flying out of it's socket towards the man. He Reflexively reaches out, grabs it out of the air & hands it back. "I'm so sorry" the woman says as she pops her eye back into place. "Let me buy your dinner to make it up to you" she says. They enjoy a wonderful dinner together & afterwards they go to the theatre followed by drinks. They talk, and they laugh together. They go back to her place for a nightcap & he stays for breakfast. They had a wonderful time. The next morning, she cooks him a full breakfast. The guy is amazed "You know" he says "you are the perfect woman!!! "No," she replies "You just happened to catch my eye.!!!" (sent in by Russell Dick)

An 85 year old man went to the doctor to get a sperm count. "Take this jar home & bring back a semen sample." The next day he returns to the doctor's but the sample jar was clean & empty. "What happened?" asked the doctor. "Well, doc, it's like this -First I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing. Then my wife tried. Then she tried with her mouth, she even took her teeth out. Even the neighbour had a go. "But we couldn't get that jar open!"
