### Captain's Letter

As this is my final letter as Captain, I am sad to hear recently of a couple of alleged incidents of players not playing by the rules. Both incidents were brought to my attention well after the event, so I must stress that if you see anything amiss with play or scoring, even though you are not the marker, it is your responsibility to bring it to the attention of the marker during the round. Failure to do so, could put in breach of rule 1-3 Agreement to waive rules: *Players must not agree to exclude the operation any rule or to waive any penalty incurred.* The penalty for this breach is disqualification of competitors concerned. Also the principle onus is on the marker to ensure the score is correct you must watch and count each shot & verify it with the player before the next tee & if you are not the marker & you disagree with the claimed score you must bring it to the attention of the marker. I am sorry to leave you on this note, because the general standard in GINS is excellent.

Yours truly,

Jim Emery

### GINS New Captain 'Mike Elsey'

Mike has been a member of GINS for many years and looks forward to meeting everyone in the very near future.

'The difference between a sand trap and water is the difference between a car crash and an airplane crash. You have a chance of recovering from a car crash.' - Bobby Jones

'I've had sex in a lot of places. I wouldn't want to have it in a bunker, because of the sand. I'd kind of like to have it on the green; it would be nice and soft.' - Jan Stephenson

## IT'S ALL CHANGE!!!

After producing the newsletter for the last two years, I have decided to step down as 'Publicity Manager' Martin Cox is taking over my duties, that of producing the newsletter and the yearly diary plus the results & photos service to the press etc. Martin has a few fresh ideas and I wish him all the very best *and* I will give him all the help and assistance that he may require.

I also hope that GINS members will continue to help, by contributing articles, comments, jokes etc to him, as this is such an *important* part of producing a newsletter for members. I thank everyone who has submitted articles etc to me in the past and I would like to make a special mention to

a certain character who came to prominence by the name of 'PERCY THROWSOVER' alias *Dennis Bolsover* and to thank him for all his knowledgeable expertise regarding the various agricultural matters that he dealt with.

*I have enjoyed the work immensely and will now have to give some thought as to how I spend all this considerable amount of extra time!*

**GOLFING REALITIES!** Golf balls are like eggs, they're white, they're sold by the dozen and every week you have to buy more.

Golf is the perfect thing to do on a Sunday, as you always end up praying a lot. A good golf partner is one who's always slightly worse than you are. If your opponent has trouble remembering if they shot a six or a seven, they probably shot an eight.

### Words of Wisdom

The only two things we do with greater frequency in middle age are urinate and attend funerals.  
Do you realize in about 40 years, we'll have thousands of old ladies running around with tattoos.  
After a certain age, if you don't wake up aching in every joint, you are probably dead. JW

### Knowing the RULES! - Addressing the Ball.

Except in a hazard, a player has addressed the ball when he has taken his stance & grounded his club.

In a bunker or a water hazard a player has addressed the ball when he has taken his stance.

The player has decided not to ground his putter. Therefore, he has not 'addressed the ball' and cannot be penalised under Rule 18-2b.

A man walks into a toy store to buy a Barbie for his daughter. There were a lot of them, so he asked the sales lady how much they cost. The girl responds: 'Which one? As we have so many different kinds for example:

Gymnasium Barbie £19.95. Volleyball Barbie £19.95. Shopping Barbie £19.95. Surfer Barbie £19.95. and DIVORCED BARBIE at £299.95.

Shocked, the man asks, 'Why is divorced Barbie £299.95 when all the other Barbies are £19.95?' Exasperated, the girl responds: "Sir, Divorced Barbie comes with: Ken's Car, Ken's House, Ken's Boat, Ken's Furniture, Ken's Jewellery, Ken's Money, Ken's Computer and of course: Ken's 'BEST FRIEND'

Muldoon lived alone in the Irish countryside with only a pet dog for company. One day the dog died and Muldoon went to the parish priest and

asked, 'Father, my dog is dead, could ya' be saying mass for the poor creature?' 'I'm afraid not' said the priest, 'we cannot have services for an animal in the church. But there are some Baptists down the lane & they may be able to help you.'

'Ill go right away Father, do ya think £5,000 is enough to donate to them for the service?' Father Patrick explained, 'Sweet Mary, Mother of Jesus! Why didn't ya tell me the dog was Catholic?' JR
