Ed's COMMENTS!

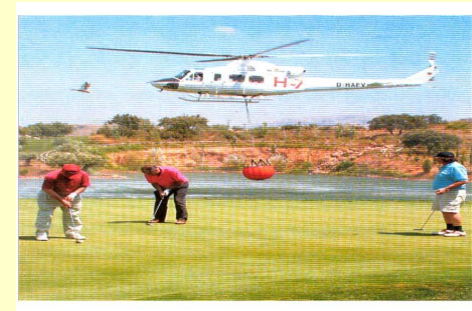

Apologies for the lateness of this newsletter, but this was due to a breakdown in the Production Department. The problem has now been successfully corrected and

everything is now working perfectly again! *(many thanks for everyone's concern in this matter)* Some weeks ago I set a precedent by dunking myself plus my electric trolley into one of the many lakes. Well! It looks like I have started a trend! First Rita McCracken and now Mike Elsey have followed suit. Perhaps we should form the GINS UNDERWATER GOLF SOCIETY?

Last months CAPTION COMPETITION

Paddy had been drinking at his local Dublin pub all day. Mick the bartender says 'You'll not be drinking anymore tonight Paddy.' Paddy replies 'OK Mick, I'll be on my way then. Paddy spins around on his stool & steps off & falls flat on his face. 'Shoite' he says as he pulls himself up. He takes a step forward & falls flat on his face. 'Shoite! Shoite!' He belly crawls to the door, stands up & falls onto the pavement hitting his face. 'BiJesus' I'm fucking fucked he Says. He finds his house & opens The door & takes one look at the stairs 'No fucking way' He crawls all the way & into bed 'fucked' The next morning his wife Jess, comes into the room 'Get up Paddy' did you have a bit to drink last night?' 'Yes' says Paddy, 'I was fucking pissed, but how did you know?' Mick phoned to say you left your wheelchair at the pub!

40 Gypsies died and went to heaven. They turned up at the Pearly gates & asked St Peter to let them in. He said they didn't have room for all 40 as he only had room for 5, so they should go away & think about who would come in. A short time later St Peter went to see God & said 'They've gone!' God replied, 'What, the Gypsies?' 'No the f*cking Gates!!!

An elderly couple were sat at home one evening. The wife said, 'I'm going to get a dish of ice cream' but then her husband offered to get the ice cream for her. 'I'll write it down for you so you don't forget,' she said. 'I won't forget' The old gent said. 'But I want some chocolate syrup and nuts on top, so I'll write it all down,' she replied. 'No I will get the ice cream, don't worry' replied the old gentleman. A few minutes later, the old man returned with bacon and eggs. His wife said, 'See, I should have written it down for you because you have forgotten the toast!'
