PERCY THROWOVER BRANCHES OUT

When I was walking with Percy round the pond at the 16th at Baviera, he spotted one of the green staff weeding the flower bed and sympathetic to his plight, suggested that he was in a no win situation as the weeds were in control! This was due to their seeds being blown continually from the wilderness across the path into the flower bed. Percy's solution was that a barrier should be built to prevent the seeds from the weeds reaching the flowers.

The gardener duly thanked Percy for his advice and drove off only to re-appear again at the 17th green, to thank Percy on behalf of his boss (El Hefe) for his profound and practical analysis of the situation. It should be noted that the weeds are still in control!

Captain's Letter!

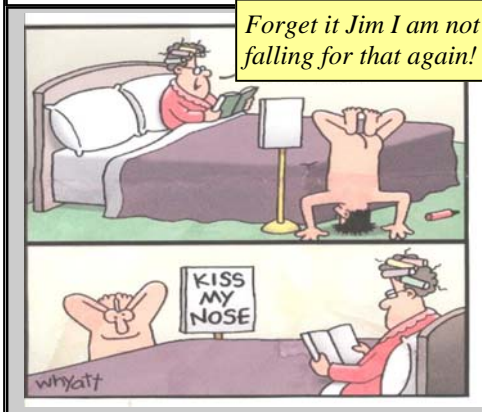

Another moan from the Captain. I see all too often players carefully avoiding standing on another player's putting line and then once they have holed out

they then bend down to retrieve their ball Supporting their weight with their putter! Thus leaving an indentation across the green. PLEASE if you cannot bend down without supporting yourself, then please purchase a ball remover!

RULES - Two questions to ponder: Under what circumstances in match play, can you be four down after playing only two holes?

You have identified your ball in the rough, you play it and two balls come flying out. Are you penalised for playing the wrong ball? (In my little rules book I cannot find a rule that covers the 2nd question)

A LITTLE STORY: A woman is driving along knitting at the steering wheel. A police car comes along side, the policeman shouts to the woman PULLOVER! She shouts back NO SOCKS! "Enjoy your golf" (Jim Emery)

Goldilocks & the Three Bears (Ed)

Baby bear goes downstairs, sits in his small chair at the table and he looks into his small bowl, it is empty! "Who's been eating my porridge?" he squeaks. Daddy bear arrives & sits in his big chair. He looks into his big bowl & it's empty. "Who's been eating my porridge?" he roars. Mummy bear puts her head through the serving hatch & yells, "For God's sake, how many times do we have to go through this?" IT WAS MUMMY who got up first, who woke everyone up, who made the coffee, who unloaded the dishwasher & put everything away, who fetched the newspaper & croissants, Who fed the cats, who put the bloody cats out & cleaned the litter boxes. And now that you've decided to drag your sorry bear-asses downstairs & grace Mummy Bear with your grumpy presence, listen carefully, because I'm only going to say this once.
"I Haven't Made The F***ing Porridge Yet!"

Glen's Joke!

A husband & wife had been married only a few years & he was getting fed up being-bossed around by his wife. So he went to see a psychiatrist, who said that he needed to build his self esteem. He gave him a booklet on assertiveness to read. By the time he reached home he had finished reading it. He stormed into the house & walked up to his wife, pointed a finger in her face & said "From now on I want you to know that I am the man of this house & my word is law. I want you to prepare a gourmet meal to-night & then I expect a sumptuous dessert. Then after dinner you are going to run me a bath so I can relax. Afterwards guess who will dress me & comb my hair?" "The Funeral Director" replied the wife.

On a golf tour in Ireland, Tiger Woods drives his BMW into a petrol station in a remote part of The Irish countryside. The Pump attendant, obviously Knows nothing about golf, greets him in a typical Irish manner, completely unaware who the golfing pro is. "Top of the morning to yer. sir" says the attendant. Tiger nods and bends forward to pick up the nozzle. As he does so, two tees fall out of his shirt pocket onto the ground. "What are does?" asks the attendant. "they're called tees" replied Tiger. "Well, what on God's earth are dey for?" inquires the Irishman. "They're for resting my balls on when I'm driving" says Tiger. "Fookin Jaysus" says the Irishman, BMW tink of everyting!" B.A.

A Tired Woman's Epitaph

Here lies a poor woman who was always tired, She lived in a house where help was not hired, Her last words on earth were "Dear friends I am going" Where washing ain't done, nor sweeping, nor sewing. But everything there is exact to my wishes. For where they don't eat there's no washing of dishes. Don't mourn for me now, don't mourn for me never. I'm going to do nothing for ever and ever! F.H.

A four year-old boy was examining his testicles, while taking a bath. "Mom" he asks "are these my brains?" "NOT YET" she replied.
