JUNE/JULY NEWSLETTER

ISSUE No: 34

The GINS Website: www.ginsgolf.com

Captain's Letter

This past month has been constructive for GINS, and it goes without saying that my first duty is to

thank those who have most facilitated the changes. We are indebted to Antonio at El Puente for the warm welcome he and his staff have displayed. Bryan Howard for the painstaking effort he took in 'whittling' a new GINS Display Board and to Rob Nicholson & his friend Dave for the up date of the web-site. Dream Properties and Axarquia Golf have also been tremendous in supporting our efforts to display information in as many locations as possible to further benefit the members.

The GINS mobile phones are gradually becoming more widely used as the numbers become the first choice of our members. Yes! they still need to become the choice for some who have not hooked up with the new numbers yet, but, it was always going to take time for all the changes to take effect.

It was gratifying at the recent committee meeting to hear that the accounts department are not tearing their hair out over the cost of the changes, and it is highly likely that the move could prove to have a positive impact for the GINS membership list!

Sam Rose presented a cheque for €1011.50 to Melanie Saktrega of Cudeca after the committee meeting and thanks must go to all who participated or contributed to those fund raising days. Excellently promoted by Steph Elsey, so thanks Steph and let's hope we continue a Cudeca day on an annual basis. Judy Howard produces informative minutes from the committee meetings, *we do pull her leg because they are produced so quickly we almost expect them before we start*, and perhaps to encourage the reading of these, combined with the newsletter, is how best to keep abreast of our society. Items, such as efforts to secure new sponsorship and other social opportunities tend to appear in those minutes and give all members an early indication of pending plans. To those already in tune with reading the minutes, you will know that Jim Emery is handing over the day to day Baviera tasks. Good luck to Jim and Anne in the coming weeks, I am sure you will see many over the threshold of your new venture, and that the reins will pass to capable hands.

The web-site is www.ginsgolf.com and a regular hit on this will provide much up to date info, and that dreaded handicap. There are still improvements in the pipeline, so keep looking. Finally, thanks for the personal support over the first quarter of my term, and whether here in Spain or elsewhere, may all members enjoy a grand summer and scintillating golf, there are some great deals about at present....

A little ONE

(for the Ladies as usual!)

A man said to his wife one day, "I don't know how you can be so stupid & so beautiful at the same time?" His wife replied, "God made me beautiful so you would be attracted to me and God made me stupid so that I would be attracted to you!!!"

Sorry Ladies, Ignacio I Turbe El Hefe of Baviera Golf is only waiting for the Sevilliana, not for you!

Jokes of the Month

IF YOU "AIN'T" GOT IT NOW... HANG ON, ITS A COMING !!!!!

I thought you would want to know about this e-mail virus. Even the most advanced programs from Norton or McAfee cannot take care of this one. It appears to affect those who were born prior to 1965 (most of the GINS!)

Symptoms:

1. Causes you to send the same email twice. **Done that!**
2. Causes you to send a blank email ! **That too!**
3. Causes you to send email to the wrong person. **Yes!**
4. Causes you to send it back to the person who sent it to you. **Who me?**
5. Causes you to forget to attach the attachment. **Well fooy!**
6. Causes you to hit "SEND" before you've finished. **Oh no - not again!**
7. Causes you to hit "DELETE" instead of "SEND." **I just hate that!**
8. Causes you to hit "SEND" when you should "DELETE." **Oh No!**

IT'S CALLED.....

"THE C-NILE VIRUS"

Siamese twins walk into a pub in Ontario and park themselves on a bar stool. One of them says to the landlord, 'Don't mind us, we're joined at the hip. I'm John, he's Jim.'

"Two Molson Canadian beers please".
The landlord, feeling slightly awkward, tries to make polite conversation while pouring the beers.

"Been on holiday yet, lads?"

"Off to England next month," says John. "We go to England every year and hire a car and drive for miles, don't we, Jim?" Jim agrees. "Ah, England!" says the landlord. "Wonderful country... the history, the beer, the culture..."

"Nah, we don't like that British crap," says John. "Hamburgers & Molsons beer, that's us, eh Jim? And we can't stand the Brits - they're so arrogant and rude."

"So why keep going to England ?" asks the landlord.

"It's the only chance Jim gets to drive."
(Thanks Russell!)
